

# Teen Volunteer Opportunity

Open to anyone age 12 +

## Can Do Kids Fair

This fair celebrates life skills: useful work, camaraderie, contribution, cooperation, and the courage to try new things. You'll be surprised how much fun kids have learning real life skills. They especially love to learn from a teenager - someone they can look up to and who shows them a new task in an encouraging way.

---

## BE A TEACHER:

Teach children (ages 3-10) useful skills

---

## Bring:

Willingness to learn new skills and to teach them to others

Ability to be part of a team

Desire to be an encouraging trainer

---
